

ELECTRICAL

Battery Sleeve Insulation

Paramount Tube makes the battery sleeves and caps that the world's leading battery manufacturers rely on. It's the smart choice for use in retail, commercial, and military applications.

Materials

- Polyester Shrinkable Sleeving
- Nomex
- Nomex / PET Combination
- Polyimide (Kapton)
- Electrical Kraft

Special Material Properties

- Polyimide for extreme heat resistance
- Polyester with dielectric barrier
- Kraft for flame or moisture retardant applications

Paramount Tube uses state of the art technology to enhance the battery sleeve insulation with custom printing, coloring, notching and forming.

Premium custom tubes for electrical products built to exacting specifications for peak performance and reliability.
