

ELECTRICAL

Capacitor Insulation

Paramount Tube supplies the industry's leading capacitor manufacturers with custom insulation sleeving that protects from electrical hazards and stabilizes performance, and they may reduce electrical leakage.

Materials

- Polyester Shrinkable Sleeving
- Polyimide (Kapton)
- Nomex / PET Combination
- Nomex
- Electrical Kraft

Special Material Properties

- Polyimide for extreme heat resistance
- Polyester with dielectric barrier
- Kraft for flame or moisture retardant applications

Choose a high performance capacitor insulation that is sized to your exact needs. Custom printing and coloring options are also available.

Premium custom tubes for electrical products built to exacting specifications for peak performance and reliability.
